1. Even during the summer the weather is unpredictable so it is essential that children bring the clothing listed. We issue cagoules and over trousers when it is wet.
2. **Please name all belongings clearly.** Trainers, towels, pants and socks are the most frequently mislaid. Any items of clothing left behind will be returned if £5.00 p&p is sent to us, otherwise we give the items to charity at the end of the year.
3. **Duvets, pillows, pillowcases and bottom sheets are all provided.**
4. There is a large drying room.
5. If children are staying for two weeks, their laundry is done for them at no extra charge.
6. You may want to include a mobile phone with your child as the duty phone gets very busy. The children can have access to their phones in the evening around 7.00 pm.
7. Please do not send your child with any valuable items, particularly jewellery etc, as we cannot guarantee its safety.

*PS - Hoodies, T-shirts and caps with the Mill on the Brue logo can be pre-ordered
- please contact the office.*
