Our single purpose is to provide you with the most rewarding outdoor experience you have ever had, in an exciting and enjoyable environment.

**Inspiring others through our
love of the Outdoors**

Mill on the Brue:

our award-winning outdoor activity centre, founded in 1982, is a family run, not-for-profit educational organisation. Situated in its own 25 acres of fields, woods and river valley, just outside the little town of Bruton, the centre comprises of a comfortable Victorian farmhouse, with converted barns and wooden Garden Cabin dorms. Extra accommodation for May 2020 is Rivermead which is a newly renovated house which sleeps 33. There is also an environmentally built dining room & kitchen, called The Longhouse.

The centre is open all year and we can accommodate up to 100 adults. We also run Management Day Courses, team building or just fun days out for your company. With over 40 outdoor activities to choose from we can tailor make your programme to meet the requirements of your group.

Activities and Outdoor Pursuits for 2020

Your programme can be varied and as full as you wish. Each programme is written specifically for the group and the activities take from one hour to two hours plus. It very much depends on the age and fitness of the participants.

Mill on the Brue is open from January to November, we can accommodate 100 from May 2020.

Activities

High Ropes

To really push you and your group to the limits we have got a 12 and a half metre rope course with various elements which can be run separately according to your groups aim. The elements are a mix of self-development, personal challenge, team building and of course fun!

Night Tasks

Push your group to the limits and undertake tasks around and off the Centre at night, involving communication, leadership, problem solving and decision making in strange surroundings.

Super Zip Wire

280 metres across the river valley at a height of 7.60 metres. This is a super speedy descent over the valley which will leave your group breathless.

Raft building and Racing

Fun activity which invariably ends with at least one raft disintegrating and a couple of the team floating down the river.

Assault Course

We have two different assault courses that offer teambuilding, encouragement, physical challenge and evaluating on how to improve on performance. Which is something that can be taken back to the office. This session can be adapted to your group's needs.
